President's Report

More homecoming volunteers are needed for next year.

PTO is using Amazon Smiles to earn money for the PTO. No cost to anyone to use!

PTO grants were sent out. Only 2 responses came back in to us. Art and Robotics will be the recipients.

The nurse's office needs water and granola bars to provide for the students. There wasn't a big response to the sign up genius. The PTO will fund the supplies. Jenny will follow up at the DPTO asking about the District funding this down the road.

No PTO meetings will be held in Dec. and Jan. due to vacations, finals, concerts, etc. The Board will meet though.

PTO will provide a treat table for the teachers on Halloween.

Treasurer's Report

Terri reviewed the financial statements.

Principal's Report

Renee Reynolds presented for the Principal.

Breakfast With the Stars is starting this month.

Incubator is a new course starting next year. Very similar to Shark Tank.

Committee Chair Reports

Mary Webb from Student Council thanked the PTO for help with homecoming. Pretzels weren't as popular as the cookies and water. Cups of ice are a student favorite. Long waits to enter dance but screening entrants is necessary.

Princess Superhero Breakfast is Dec. 9. Sponsored by Student Council. Faculty and community are involved.

The PTO Executive Board met at 6:00 pm. The September 2017 Financial Statements were approved as presented.

Next PTO Meeting: Nov. 13, 7:00 pm, LRC
